Co-op Connections Card

The Co-op Connections program, a card-based member benefit program for Touchstone Energy® cooperatives, designed to deliver added value to cooperative members. North Star Electric implemented this program in conjunction with other Touchstone Energy co-ops serving 17 million member-owners nationwide.

A free offering for co-op members and participating businesses, the program benefits cooperative members by offering valuable discounts at participating local, regional and national businesses. Go to www.connections.com to see all discounts. The card has no boundaries. At the same time, those businesses benefit from increased customer visits by co-op members participating in the program.

Show your Coop Card at the listed businesses.
