NO SALES TAX ON ELECTRIC HEAT!!

If you heat your home primarily with electricity, please complete and return this form to be exempt from the Minnesota Sales and Use Tax during the winter months. If you have off-peak electric heat, the off-peak portion of your bill is exempt. The bills we send out from November through April are considered to be the exempt “heating months”. If you have questions, please call Pat.

Yes, my primary residential heat at account # _____
is electric.

Signature: _____

Address: _____

Phone #: _____

Date: _____

IMPORTANT NOTICE!

If you are new to North Star’s Off-Peak program, you need to know that your heat can be controlled indefinitely; therefore, your back-up heat source needs to be adequate. Please call us so we can explain how the program works.
