

LED Lighting Incentive Form

Purchase and install LED lighting in your home or business and you could receive an incentive from your local cooperative or municipal. ENERGY STAR® qualified LEDs last 15 times longer than incandescent lighting and use 70-90 percent less energy, saving you money.

1. Purchase and install LED lamps in your home or business by December 31, 2022 and receive one of the following incentives:
 - a. LED replacing 40W-60W bulb - 50% of the purchase price, up to \$2/bulb
 - b. LED replacing 65W or greater bulb - 50% of the purchase price, up to \$4/bulb
2. Complete this form, attach a copy of your purchase receipt and mail or return documentation to one of the participating utilities listed below within 60 calendar days of installation. For best results ENERGY STAR qualified bulbs are recommended.
